Activity

Create a new SoftChalk activity using the sample lesson.

Publishing to Connect

Groups and Publishing

Please let me know if you are interested in learning more about Groups and Publishing!

When these features are working properly I would love to meet with you and go through them one-on-one.

Review

SoftChalk Connect is an online, community-supported repository for Reusable Learning Objects. You can create, publish, and embed activities using Connect to enhance the interactivity of your lesson.

Questions?

Presentation and steps will be available on http://cpdeconnect.pbworks.com shortly

Don't Forget…

- ScoreTracker Mini Session
  - Tracking students' scores on SoftChalk quizzes and activities
  - Wednesday, September 29, 12:00 – 1:30
  - Free lunch!
- Please sign in! Each semester CPDE gives away a netbook or iPad to a lucky faculty member for attending our mini sessions, but you must sign in to be eligible!
