Manage Dates

The screenshot shows the 'Manage Dates' interface for a course titled 'Fall 2012a_et Learning Facilitation Workshop'. The interface includes a navigation menu on the left with options like 'Course Admin Tools', 'Course Design Accelerator', 'Instructional Design Wizard', 'Course Builder', 'Learning Activity Library', 'Navigation', 'Course Offering Information', 'Homepages', 'Widgets', 'Groups', 'Sharing Groups', 'Tools', 'Manage Dates', 'Forms', 'Import/Export/Clone Components', 'Independent Agents', 'Manage Files', 'View User Progress', and 'External Learning Tools'. The main content area is titled 'Manage Dates' and contains a description: 'The Manage Dates tool enables you to view a list of objects in your course and edit their date availability values. Use the filter options to narrow down your list of items by tool, date range, duration, and Calendar status settings.' Below this is a 'Filter Options' section with tabs for 'All', 'Specific Tools', and 'Hide Advanced Filter Options'. The 'Specific Tools' tab is active, showing a list of objects with columns for 'Tool', 'Type', 'Name', 'Start Date', 'End Date', 'Days', 'Calendar', and 'Visibility'. The table contains several rows of data, including a 'News' item and several 'Content' items related to 'APPLICATION ACTIVITIES'. At the bottom right of the table, it indicates '125 Items'.
