Design Like it's 1999…Ughhh! Mini-Session Handout

Objectives:

1. Compare and contrast websites from the 90s and now.
2. Identify key elements of how information was presented on web pages in the 90s.
3. Identify what elements are being used in more current pages.
4. Describe the term "blocking" in reference to web page design.
5. Identify the term "blocking" on web pages.
6. Recall the term "chunking" from previous mini-session.
7. Discuss how the concepts of "blocking" and "chunking" are similar in Instructional Design.
8. Discuss a modern element in showing pictures on web pages.
9. Demonstrate use Pinterest in course design.
10. Generate idea of how to use Pinterest in instructor's own course.
